

PERSONAL PROFILE

ADDRESS

Office: 342 Jessup Hall
University of Iowa
Iowa City, Iowa 52242

Phone: (319) 353-2955
Email: lucie-laurian@uiowa.edu

EDUCATION

Ph. D.	2001	City and Regional Planning, University of North Carolina, Chapel Hill
Masters	1995	Demography, Institut de Démographie Universitaire de Paris, University Panthéon-Sorbonne, Paris I (DESS, “Diplôme d’Etudes Supérieures Spécialisées,” terminal Masters degree)
Masters	1995	Sociology, University René Descartes- Paris V (DEA, “Diplôme d’Etudes Approfondies,” degree preceding a doctorate)
Undergraduate	1993	Sociology, University René Descartes- Paris V (DEUG, “Diplôme d’Etudes Universitaires Générales” and Licence, first three years university)

LANGUAGES: *French:* native; *English:* fluent; *Spanish:* read and spoken; *German:* spoken

ACADEMIC POSITIONS

2017-present	Full Professor, Urban and Regional Planning Program, University of Iowa
2009- 2016	Associate Professor, Urban and Regional Planning Program, University of Iowa
2004- 2009	Assistant Professor, Urban and Regional Planning Program, University of Iowa
2001-2004	Assistant Professor, School of Planning, University of Arizona

RESEARCH

CURRENT RESEARCH AREAS

- Urban and environmental planning
- Plan evaluation and implementation (U.S. and New Zealand)
- Planning for natural hazard mitigation
- Environmental injustice and public participation in decision-making (U.S. and Europe)

FELLOWSHIPS, AWARDS AND GRANTS

- 2018 John Mawson Award of Merit, awarded by the New Zealand Planning Institute for *Planning Practice in New Zealand* (C. Miller and L. Beattie, eds. 2017), chapter by J. Crawford and L. Laurian “Plan Monitoring and Evaluation.”
- “Risk mitigation strategies in the face of massive tree loss: Household, neighborhood and municipal scale responses to invasive tree pests” (PI, with co-PI Heather Sander), submitted to the NSF Decision and Risk Management Division (\$430,375, pending)
- 2017 Faculty Service Award from the Iowa Initiative for Sustainable Communities, UI Provost’s Office of Outreach & Engagement
- Elected Midwestern Regional Representative to ACSP Governing Board
- ACSP Featured Faculty, <http://www.acsp.org/?page=FFLucieLaurian>
- Stanley International Travel Award from International Programs, awarded to participate in the Urban Planning History conference in Delft, The Netherlands, July 17-21.
- 2016 “Action-oriented multidisciplinary research for the implementation of sustainable and health-supportive suburban development” (co-PI). PI: Brousselle, University of Sherbrooke, Canada, Canadian Institutes of Health Research (not funded, in revision)
- 2014 “Planning for Climate Change Impacts in Pacific Small Island States: Avoiding International Tensions by Preparing Population Resettlements” (PI). Submitted in Nov. 2014 to the Minerva Program of the US Department of Defense (not funded)
- 2011 “Sustainability-promoting local institutions” (PI). Funded by the National Science Foundation Decision and Risk Management division (# 1122730, \$390,000)
- 2006 “Environmental Justice in France: Social and spatial distribution of pollution sources among the 36,000 French communes” (PI). Funded by the University of Iowa International Programs (\$3,000)
- 2004 “Democracy in Environmental Cleanups: Are Advisory Boards Effective Participation Mechanisms?” (PI). Funded by the University of Iowa Social Sciences Funding Program, (\$30,026)
- 2002 “Participation in toxic site remediation: are community advisory boards successful?” (PI). Funded by a University of Arizona Faculty Small Grant (\$9,969)
- 2000 Dissertation Fellowship, University of North Carolina, Chapel Hill
- 1999 Doctoral Dissertation Research Grant funded by the U.S. Department of Housing and Urban Development (\$15,000)

- 1996 Tinker Field Research Travel Fellowship, Institute for Latin American Studies, University of North Carolina, Chapel Hill
- 1995 Fulbright Fellowship, awarded by the Franco-American Commission for Ph.D. in City and Regional Planning at the University of North Carolina at Chapel Hill

INVITED RESEARCH APPOINTMENTS

- 2012 Invited Researcher at the Université du Littoral Cote d'Opale. Research on perceptions of and response to industrial risks, Dunkerque, France.
- 2001-2010 Researcher at the International Global Change Institute, University of Waikato, New Zealand. Research on plan quality, implementation and outcome, and evaluation methodologies in "Planning Under a Cooperative Mandate" project funded by the NZ Foundation for Research, Science, and Technology.
- 2006-2011 Invited Researcher at the French Institut National d'Etudes Démographiques. Research on environmental justice in France in collaboration with the Research Team "Mortality, Health, Epidemiology", Paris, France.
- 1997-99 Research Assistant, Carolina Population Center with Dr. Bilsborrow. Research on migration to Quito, Ecuador funded by the NSF and the International Food Policy Research Institute. Research on out-migration from the Ecuadorian Amazon funded by the NSF and the World Wildlife Fund.

Manuscripts under review and in process

Laurian, L and A. Inch. “On Time and Planning: Theoretical and Practical Considerations for Opening Futures Through a ‘Sense of Now’” Submitted to the *Journal of Planning Literature* in January 2018, R&R, in revision.

Linkous, E.R. and L. Laurian “Why do Counties Adopt Transfer of Development Rights Programs?” Submitted to the *Journal of Environmental Planning and Management* in January 2018, R&R, in revision.

- Laurian, L. "Institutional Factors of Sustainability Implementation in Local Government: The cases of Amsterdam and Venice" submitted to the *International Journal of Urban Sustainable Development*. Status: R&R, in revision.
- Laurian, L. "Urban Tree Planting in Paris since 1600: Between Path-dependencies and Paradigm shifts." Planned submission to the *Journal of Planning History* in spring 2018.
- Laurian, L. "Regenerative Urban Green Spaces: What Would it Look Like?" In Biggers, J. (ed.) *Ecopolis Iowa City: Creating the First Regenerative City in the Heartland*, The University of Iowa Press. Book chapter accepted. Publication date unknown.

PRESENTATIONS

Invited presentations

- "Leaving a healthy farm legacy: SILT's impact on future generations" presented on behalf of the Sustainable Iowa Land Trust, Iowa City Senior Center, March 26 2018.
- "Farm, food, fun: agritourism, in Johnson County." Invited panelist at the 4th annual Johnson County Food Policy Council Public Forum, Coralville, March 22 2018.
- "Planning for Environmental Health" The Gazette's Iowa Ideas Conference, Cedar Rapids, Sept. 20 2017.
- "Urban Planning: an introduction" talk given in UI Environmental Sciences class, Nov 2016.
- "Urban Forestry and biodiversity," talk given to the University of Iowa Student Environmental Coalition, UI Office of Sustainability, March 24 2016.
- "Ecopolis Iowa City Forum: flood resilient urban forestry and food systems, from Mosquito Flats to Pawpaw Patch," Introduced and moderated the forum, Iowa City Public Library, April 4 2016.
- "Urban Public Spaces," talk given at Hardin Junior High School, Cedar Rapids, Sept. 12 2016.
- "Urban Planning is up for discussion," talk given at the Iowa City Northwest Junior High School, Dec. 18 2015.
- "Third anniversary of Hurricane Sandy" Panel sponsored by the University of Iowa Center for Human Rights, Global Health Studies and Iowa Physicians for Social Responsibility, Oct 29 2015.
- "When irresistible forces meet immovable subjects: facing the challenging subject of opposition in planning," Roundtable at the Association of the Collegiate Schools of Planning Conference, Houston, Oct 22-25 2015.
- "Ecopolis Bike Here". Introductory presentation for Ecopolis talks. Iowa City, April 30 2015. Posted on Earth Channel, City Channel 4.

- “Sustainability implementation in local government in the US and NZ” presented at the University of Iowa Environmental Science Seminar, October 23 2014.
- “Implementing Sustainability in Practice: Institutional Barriers and Supporting Factors. Findings from US localities and 2 European cases” presented at the University of Iowa Geography Colloquium, February 7 2014.
- “Where is the public interest in public participation?” roundtable participant, AESOP-ACSP joint Congress, Dublin, July 14-19 2013.
- “Implementing sustainability: the role of intra-agency communication and framing in local government in NZ and the US” with Jan Crawford, Dunedin University, New Zealand, March 12 2013.
- “Where is the public interest in public participation?” Roundtable, joint congress of the European Schools of Planning and the American Collegiate Schools of Planning, Dublin, July 14-19 2013.
- “Environmental Justice in France” Presented in Eric Tate’s course “Environmental Justice” (044:177), University of Iowa, Oct. 17 2012.
- “Environmental Injustice: Evidence, causes and policy responses” presented in course “Policy Matters: Perspectives on Contemporary Problems,” University of Iowa, Apr. 18 2012.
- “Urbanism and health” Presented in Nancy Thompson’s course “Social Determinants of Health” 172:130. University of Iowa Department of Community and Behavioral Health, Feb. 6 2012.
- “Urban and Environmental planning: What’s new?” Professional development seminar for the staff of Kirkwood School for Children, Iowa City, March 12 2011.
- “Greening Paris in the 21st century.” Presented in Sabine Golz’s course “Topics in Literature and Theory, City as Text/Text as City” 048:166. University of Iowa, March 10 2011.
- "The Greening of Paris: Creating New Parkland in a Compact City," University of Iowa Green Politics conference, Dec. 3-4 2010.
- “Environmental Justice in France,” Rex Honey’s 44:177 class, University of Iowa Geography Department, Nov. 10 2010.
- “Green urbanism: The new face of Paris in the 21st century,” University of Iowa European Studies Group, Oct. 29 2010.
- “Location of incinerators in France: Results from a spatio-temporal analysis,” Institut National d’Etudes Démographiques, Paris, July 9 2010.
- “Environmental Justice in France? A spatio-temporal analysis of incinerator location,” Geographical Sciences and Urban Planning Colloquium, Arizona State University, Tempe, Apr. 30, 2010.

- “Superfund and Other Hazardous Sites: Public Input in Mitigation Decisions,” Toxicology research seminar series of the Interdisciplinary program in human toxicology, Department of Occupational and Environmental Health, University of Iowa, Apr. 9 2010.
- “International Research in Planning,” Introduction to International Studies (187:020) Department of Political Science, University of Iowa, March 30 2010
- “The Built Environment and Health: Making biking and walking possible, irresistible,” Department of Epidemiology, College of Public Health, The University of Iowa, March 5 2010.
- “Paris Urbanism from Cesar to Sarko,” European Studies Group, University of Iowa, Feb. 20 2010
- “The 2008 Floods: a broad planning perspective,” Fall School of Instruction of the Iowa State Association of Counties, Coralville, Nov. 19-21, 2008.
- “Sprawl, the Environment and Public Health: Planning solutions to make biking and walking possible again,” Environmental Sciences Seminar (159:100), Department of Geoscience, University of Iowa, Nov. 14 2007.
- "Environmental Justice: Ongoing Casual and Methodological Debates." Project on the Rhetoric of Inquiry Symposium "Toxic Talk: A Cross-Disciplinary Conversation about Environmental Justice and Sustainability." The University of Iowa, Sept 21 2007.
- “Local Food Systems in Iowa.” Iowa County Zoning Officials Conference, Cedar Falls, IA, Jun. 14 2007.
- “Iowa City – Cedar Rapids. Regional Environmental Questions: Current Issues & New Directions.” Regional Planning Summit organized by the Urban and Regional Planning Program of the University of Iowa, Iowa City, IA, Feb. 3 2007.
- “Environmental Injustice: Can the Concept Travel to France?” Occupational and Environmental Health Seminar (175:280), Department of Occupational and Environmental Health, University of Iowa College of Public Health, Oakdale Campus, Oct. 31 2006.
- “Environmental Injustice in France? Populations and pollution in the 36,000 French towns,” International Mondays series, Iowa City Public Library, Oct. 9 2006.
- “Environmental risks in France: Which populations are exposed?” *Lundi de l'INED* Seminar Series, Institut National d'Etudes Démographiques (INED), Paris, France, June 26 2006.
- “Health and the Built Environment: How to Plan Healthy Communities,” *Kohn Colloquium*, University of Iowa Department of Geography, Feb. 24 2006.
- “The Relationship Between Health and the Built Environment,” Community and Behavioral Health Seminar Series, University of Iowa College of Public Health, Feb. 2 2006.

“Planning for Healthy Cities: Urban Form, Smart Growth, and New Urbanism,” *Preventing Childhood Overweight and Obesity*, a North Central Region Conference hosted by Iowa State University and the Food and Society Committee of the National Association of State Universities and Land-Grant Colleges, Ames, Iowa, March 28-29 2005.

Papers presented at professional meetings

“Planning for (and with) a sense-of-time: theoretical and practical considerations” with A. Inch, presented at the Association of the Collegiate Schools of Planning Conference, Denver, Oct 12-15 2017

“Street trees: Between path-dependencies and paradigm shifts: Lessons from the history of tree planting in Paris” presented at the Association of the Collegiate Schools of Planning Conference, Portland Nov 3-6 2016

“Urban tree planting in Paris since 1600” presented at the Conference of the International Planning History Society, Delft, The Netherlands, July 17-21 2016.

“What time is this place now?” presented at the Association of the Collegiate Schools of Planning Conference, Houston, Oct 22-25 2015

“Sustainability implementation in local government in the US and NZ” with Jan Crawford. Presented at the Association of the Collegiate Schools of Planning Conference, Philadelphia, Oct 30-Nov2 2014.

“Environmental Sustainability in Practice: Local Government Features that Support Implementation” with Jan Crawford, presented at AESOP-ACSP joint Congress, Dublin, July 14-19 2013.

“Environmental Sustainability in Practice: Local Government Features that Support Implementation” with Jan Crawford, presented at the Joint Congress of the European Schools of Planning and the American Collegiate Schools of Planning, Dublin, July 14-19 2013.

“Organizational Factors Sustainability Implementation in Local Government: Assessment by an International Expert Panel” with Jan Crawford, presented at the Association of the Collegiate Schools of Planning Conference, Cincinnati, Nov 1-3 2012.

“Institutional structures and the implementation of sustainability plans” with Jan Crawford, presented at the Association of Collegiate Schools of Planning Annual Conference, in Salt Lake City, October 13-16 2011.

“New Evidence of Environmental Injustice in Western Europe: A Spatio-Temporal Analysis of Incinerators Siting in France” presented at the Association of Collegiate Schools of Planning Annual Conference, in Minneapolis, Oct 7-10 2010.

- “Planning for Floods at The University of Iowa: A Challenge for Resilience and Sustainability” with C. Connerly, J. Scott, and J. Throgmorton, presented at the Association of Collegiate Schools of Planning Annual Conference, in Crystal City, Oct 1-4 2009.
- “Trust in Planning: from Theory to Practice” presented at the Association of Collegiate Schools of Planning Annual Conference, in Milwaukee, Oct 18-22 2007.
- “Environmental (In)Justice In Europe: Is The Concept Relevant? The Case Of France” presented at the Association of Collegiate Schools of Planning Annual Conference, in Fort Worth, Nov 9-12 2006.
- “Public Participation in Military and Civilian Environmental Cleanups: a Comparison of Advisory Boards” presented at the Association of Collegiate Schools of Planning Annual Conference, in Kansas City, Oct. 26-29 2005.
- “Planning and Public Health: Rebuilding Bridges in the 21st Century” presented at the Association of Collegiate Schools of Planning Annual Conference, in Portland, Oct. 21-24 2004.
- “Barriers to the use of IT by small cities and towns: Does race or income matter most? The case of Southern Arizona” presented at the International Conference on Public Participation and Information Technologies, Massachusetts Institute of Technology, Nov.10-12 2003.
- “How Can Community Advisory Boards Better Promote Public Input in Toxic Site Cleanup Decisions?” presented at the Joint Congress of the American Collegiate Schools of Planning and the Association of the European Schools of Planning, Leuven, Belgium, July 8-12 2003.
- “Public Participation in the Cleanup of Toxic Sites: Do Community Advisory Boards Achieve their Mission?” presented at the Association of Collegiate Schools of Planning Annual Conference, in Baltimore, Nov. 21-24 2002.
- “The quality of district plans and their implementation: towards environmental quality” by Backhurst, M., Day, M., Crawford, J., Ericksen, N., Berke, P., Laurian, L., Barfoot, C., Chapman, S. and J. Dixon. Presented to NZPI Conference, Wellington, 8-12 April 2002.
- “Participatory Environmental Planning in Practice: Modes of Participation and Reasons for Non-Participation in the Cleanup of Superfund Sites” presented at the Association of Collegiate Schools of Planning Annual Conference, in Cleveland, November 8-11 2001.
- “Residents’ Perceptions and Responses to the Cleanup of Superfund Sites: the Realities of Participatory Environmental Planning,” presented at the Association of Collegiate Schools of Planning Annual Conference, in Atlanta, November 2-5 2000.
- “Why do People Migrate? A Contextual Model of Migration in Ecuador,” by Lucie Laurian and Richard E. Bilborrow, paper presented at the Population Association of America 2000 Annual Meeting in Los Angeles, March 23-25 2000.

- “Are Deep South Grassroots on the Internet?” presented at the International Conference on Public Participation and Information Technologies in Lisbon, Portugal, October 20-22 1999.
- “Migrants' Entry into the Urban Labor Market in Quito, Ecuador: Determinants of Entry and Subsequent Labor Mobility,” by Lucie Laurian, Richard E. Bilsborrow, and Andrew Morrison, paper presented at the Population Association of America 1999 Annual Meeting in New York, March 25-27 1999.
- “The impacts of Environmental Degradation on Residential Choice and Mobility: a Theoretical Model,” paper presented at the Association of Collegiate Schools of Planning Annual Conference, in Pasadena, CA, November 5-8 1998.
- “Environmental Injustice: Testing the Housing Market Hypothesis at the Local Level,” paper presented at the 20th Annual Research Conference of the Association for Public Policy Analysis and Management in New York City, October 29-31 1998.
- “Planners and Environmental Justice: Environmental Degradation and the Decline of Poor and Minority Neighborhoods,” paper presented at the 1998 Association of European Schools Of Planning, XIIth Annual Congress, Aveiro, Portugal, July 22-25 1998.
- “Population, Environmental Quality and Residential Choices: a Multidisciplinary Approach to the Causes of Environmental Injustice,” paper presented at the International Interdisciplinary Conference on the Environment, in Washington, D.C., July 7-10 1998.
- “Causes of Environmental Injustice: Environmental Degradation and the Decline of Poor and Minority Neighborhoods,” poster presented at the 1998 International Symposium on “City, Space and Globalization,” College of Architecture and Urban Planning at the University of Michigan, in Ann Arbor, Michigan, February 1998.

TEACHING

COURSES TAUGHT

University of Iowa, 2004-2018

Designing Sustainable and Healthy Cities, graduate
Environmental Policy and Management, graduate
Environmental Management, graduate
Analytic Methods in Planning I, graduate
Global Perspectives on Environmental Planning, graduate
Urban Design for Non-Designers, graduate
Healthy Cities and Environmental Planning, graduate
Special topics in environmental planning seminar, graduate

University of Arizona, 2001-2004

Planning Theory, graduate
Healthy Cities, graduate
Urban Social Issues, graduate
Reports in Planning, graduate

University of North Carolina, 1999-2000

Public Policy Evaluation, undergraduate
Demographic Analysis Module in Quantitative Methods course, graduate
Micro-Economics, graduate (teaching assistant)
Land, Environment, Resources Economics, graduate (teaching assistant)

FACULTY ADVISOR FOR CAPSTONE AND COURSE PROJECTS (Iowa Initiative for Sustainable Communities)

- 2017-18 Mason City: North End Healthy Neighborhood Plan
Iowa City: Adaptation Plan for Terry Trueblood: Wetland Exploration Trail
Cedar Rapids: Fairytale Trail Plan for the National Czech and Slovak Museum and Library
- 2016-17 Mason City: Community Plan for Sustainability
English River Watershed Management Authority: Applied Watershed Management in and Urban and Rural Context
- 2015-16 Sioux City: Greenspace Plan
Winneshiek County MetroNet Plan
- 2014-15 Sioux City: Active Transportation- Blue Zones plan
- 2013-14 Cedar Rapids: Evaluation and Development iGreenCR Program
- 2011-12 Dubuque: Indicator and Indicator Measurement for 11 Sustainability Principles
- 2010-11 Charles City: Waterfront Development and Credit Trading
- 2009-10 Decorah: Stormwater Management and Utility Plans

STUDENT ADVISING, DISSERTATION AND MASTERS REPORT COMMITTEES

Other institutions

Ph.D. Committee Member

2017 Natalie Murdoch, Lincoln University, New Zealand

University of Iowa:

Ph.D. Committee Member

2016- Cody Hodson, Geography

2010-17 Stève Levillain, French and Italian

Jaimie Sanchagrin, Geography

Bradley Parsons, American Studies

2011-2012 Nirmalla Barros, Institute for Rural and Environmental Health

Masters Theses Committee Member

2018-19 Brianna Zumhof, Geography

2012-13 Blake Rupe, International Studies

Masters in Planning Practicums and Independent Studies

2016 Samantha Wittrock: Health and Trails in Weld County, Colorado

2016 Qilu Chen: study of the economic advantages of ecological landscaping in Iowa City

2015 Samantha Wittrock: study of food systems in Latin America

2014 Gloria Wenman: Practicum in college teaching

2014 Zac Hall: Practicum on urban forestry and Emerald Ash Borer response plan for Iowa City

2014 Bailee McClellan: study of national, regional and local Danish planning systems

2012 Becky Soglin: study of alternative biomass sources for the University power plant

2012 Hannah Fleck: review of the literature on the conceptualization and implementation of megascale infrastructure projects
