For more information about this program, please contact: Natoshia Askelson, natoshia-askelson@uiowa.edu

705+ expectant and parenting students served
85% of students say they are very or somewhat satisfied with the services they received

Selected Services provided:
- Personal and child health care and health promotion
- Parenting and concrete supports
- Education and employment assistance

"The PAF program allowed me to stay in school. I don't think I would have been able to if it was not for this grant."

"Twice this program came at the perfect time and was able to provide food/grocery money when I wasn't able to. I didn't know what I was going to do. I am so grateful for this program."
