

Activities During Academic Year 2009-2010

In 2009-2010, the PPC completed the first year of its NIH-funded Challenge Grant entitled *Factors Related to Age at First Preventive Dental Visit for Medicaid-Enrolled Children*. In other highlights, the Center became home to the newly revamped Iowa Social Science Research Center (ISRC), a campus-wide resource to assist researchers in obtaining grants and conducting survey research. The PPC leadership also collaborated with Urban and Regional Planning on a successful faculty search as part of the university's sustainability cluster hiring. This hire of an environmental economist will be the foundation of an Environmental Policy Research Program at the PPC. Finally, the 14.8 million dollar National Evaluation of a Mileage-Based Road User Charge study completed the second year of its field study.

The 2009-10 academic year was a very productive one for the faculty, staff and students of the PPC

- **34** grants through the Public Policy Center totaling **\$21,509,044**. In addition:
 - **\$6,678,486** is pending allocation and soon to be awarded
- **41** journal articles, monographs, research abstracts, conference proceedings papers, and book chapters including:
 - 19 journal articles published or in press
 - 6 research monographs or reports
 - 6 research abstracts
 - 5 conference proceedings papers
 - 5 books or chapters
- Convened **2 national symposia** for the Forkenbrock Series on Public Policy: *Patient-Centered Medical Home* (featuring the College of Public Health's Hansen Leadership Award and Distinguished Lecture), and *Energy and Climate Change in the Midwest: Creating Opportunities in the New Economy*
- As part of the Forkenbrock Series, collaborated with the UI History Department to offer *Policy Matters: Scholarly and Practical Perspectives on Contemporary Problems*, an **unprecedented series of forums** featuring nationally recognized experts sharing their views on pressing domestic policy issues. The discussions were listed as a course in Political Science and History and offered as free and open public lectures
- Mentored **13 MS** and **9 PhD** students
- Provided assistance to the Iowa Legislature on Health Care Reform, Teen Driving and Transportation Policy issues
- Presented numerous invited presentations to state agencies including the Iowa Departments of Human Services, Public Health and Transportation, as well as the Iowa State Senate and House
- Active on **12** university, **3** state, **4** federal and **1** international committees
- Addition of **new joint faculty**:
 - Aaron Strong, Public Policy Center, Urban & Regional Planning (Environmental Economics)
- Addition of **new affiliated faculty**:
 - Christopher Atchison, Hygenic Lab & College of Public Health
 - Jennifer Glass, Sociology & Women's Studies
 - Carolyn Hartley, Social Work
 - Kevin Leicht, Sociology
