Re: 14<sup>th</sup> Annual Student Interdisciplinary Health Research Poster Session

You are invited to submit a research abstract for the 14<sup>th</sup> Annual Student Interdisciplinary Health Research Poster Session. The University of Iowa Interdisciplinary Health Group sponsors this poster session to give all University of Iowa students an opportunity to present health-related research and to encourage students to interact with researchers from areas other than their respective disciplines. The poster session will be held on **Tuesday, April 23, 2013**, 11:00 am-1:00 pm in the First Floor Atrium, Eckstein Medical Research Building (EMRB). Presenters may set up their posters between 9:30 and 10:45 am, and should be available to answer questions concerning their research from 11 am to 1 pm.

**Ten awards of \$100 each** will be presented. Judging will occur between 11:00 am and 12 pm. Announcement of award winners will be at 12:30 pm.

**Abstracts and posters MAY BE presented even if they have been or will be used for other presentations.**

**The practical relevance of the research and the ability of non-experts to understand the research should be emphasized in the oral presentation to the judges (and included in the poster if possible).**
